### Remission or Cancellation of Indebtedness for Enlisted Members

**Summary.** This regulation on remission or cancellation of indebtedness for enlisted members has been revised. It allows all Active Army enlisted members to submit an application for remission or cancellation of indebtedness. The revision also permits Army National Guard (ARNG) enlisted members on inactive duty training or active duty for training to apply for remission or cancellation of indebtedness for property issued by the United States to the ARNG that has been lost, damaged, or destroyed. The clause affecting the ARNG is retroactive to 1 October 1980 and is restricted to cases based on hardship. Guidance is included on the submission and processing of applications for remission or cancellation of indebtedness to the United States.

**Applicability.** This regulation applies to all enlisted Army members while serving on active duty. Also, it applies to the ARNG enlisted members on inactive duty training or active duty for training who are liable, as a result of a report of survey, for property issued by the United States to the ARNG that is lost, damaged, or destroyed as of 1 October 1980. It does not apply to members of Reserve Components with the exception of the ARNG as noted in the summary. The debt

must be under the control of the Department of the Army and have occurred while the member served on active duty, except the ARNG as noted above. This regulation also applies during mobilization.

**Impact on New Manning System.** This regulation does not contain information that affects the New Manning System.

**Supplementation.** Supplementation of this regulation is prohibited without prior approval from HQDA(DAPC-EPA-P), ALEX VA 22331.

**Interim changes.** Interim changes to this regulation are not official unless they are authenticated by The Adjutant General. Users will destroy interim changes on their expiration dates unless sooner superseded or rescinded.

**Suggested improvements.** The proponent agency of this regulation is the US Army Military Personnel Center. Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms) directly to HQDA(DAPC-EPA-P), ALEX VA 22331.

## Chapter 1 General

### 1-1. Purpose

This regulation gives instructions for submitting and processing applications for remission or cancellation of indebtedness to the United States. Applications must be based on injustice, hardship, or both. This includes debts caused by errors in pay to or on behalf of a soldier (Department of Defense Military Pay and Allowances Entitlements Manual (DODPM), part 7, chap 7, sec C). Waiver of erroneous payments of pay and allowances other than travel or transportation may be considered under AR 37-10.

### 1-2. References

Required and related publications are listed in appendix A.

### 1-3. Explanation of abbreviations and terms

Abbreviations and special terms used in this regulation are explained in the glossary.

### 1-4. Responsibilities

a. The Secretary of the Army may remit or cancel a soldier's unpaid debts to the United States, or its instrumentalities, before or at the time of his or her honorable discharge if such action is in the best interests of the United States. This responsibility is by authority of section 4837, title 10, United States Code (10 USC 4837).

b. The Secretary of the Army may remit or cancel for good cause an ARNG member's liability when property issued by the United States to the ARNG is lost, damaged, or destroyed. This action is by authority of 32 USC 710(c), and applies to liability determined as a result of losses which occurred after 30 September 1980. The loss must be subject to a determination of liability under AR 735-11 or NGR 735-11.

c. The Secretary of the Army has designated the Commanding General (CG), US Army Military Personnel Center (MILPERCEN) to act for him or her in processing applications (a and b above). This will be done per this regulation.

d. The Assistant Secretary of the Army (Manpower and Reserve Affairs) will consider applications that are not within the authority of CG, MILPERCEN. They must show unusual circumstances within the scope of the authority of the Secretary of the Army (10 USC 4837 and 32 USC 710(c)).

e. The CG, MILPERCEN, will—

(1) Prepare policy and procedures for processing applications for remission or cancellation of debts to the US Government.

(2) Process applications for remission or cancellation of unpaid debts. When appropriate, send the application with a recommendation to the Assistant Secretary

of the Army (Manpower and Reserve Affairs) for final decision (see *d* above).

(3) Maintain reports on the processed applications.

(4) Carry out the objectives of this regulation in all cases to protect the rights of the soldier and the interests of the Army.

(5) Advise and assist the directors of Headquarters, Department of the Army (HQDA) agencies, commanders of major Army commands, and the State adjutants general on matters pertaining to remission or cancellation of debts.

### 1-5. Objectives

The objectives of remission or cancellation are to—

a. Remit or cancel debts that are considered to be unjust.

b. End hardship or undue suffering.

### 1-6. Indebtedness that may be remitted or canceled under 10 USC 4837

A soldier's debts to the United States may be remitted or canceled on the basis of this regulation in cases arising from—

a. Payments made in error to a soldier.

b. Payments made in excess of an allowance on behalf of a soldier.

c. Debts incurred while serving as an officer of the US Army.

d. Debts acknowledged as valid.

e. Debts for which an appeal has been denied (DODPM, part 7, chap 7, sec D).

f. Debts for which waiver has been denied (DODPM, part 7, chap 7, sec F; AR 37-10; or 10 USC 2774).

g. Debts established in a report of survey (AR 735-11). (See para 1-7 and 1-11e.)

### 1-7. Indebtedness that may be remitted or canceled under 32 USC 710(c)

On the basis of the standards of this regulation, a debt incurred by an ARNG soldier may be remitted or canceled under certain conditions. The debt must be established in a report of survey (AR 735-11 or NGR 735-11) for a loss or destruction of, or damage to, Government property issued to the ARNG. The remission or cancellation may only be requested for losses, destruction, or damage occurring after 30 September 1980. (See para 1-11e.)

### 1-8. Indebtedness that may not be remitted or canceled under 10 USC 4837

Indebtedness will not be remitted or canceled under the following conditions:

a. When a soldier's pay is not reduced promptly in connection with forfeiture of pay imposed by a court-martial sentence or under article 15 of the Uniform Code of Military Justice (UCMJ).

- b. After discharge unless the soldier has reenlisted.
- c. If a soldier will receive less than an honorable discharge at time of separation.
- d. When a member of the Reserve Component is not on full-time active duty (Manuscript B-187078, Decision of the Comptroller General, 28 March 1977).
- e. When a soldier is retired, whether the debt occurred before or after retirement.
- f. When a soldier is held liable for damage or loss of property to another branch of service.
- g. When debts are due to loss of public funds obtained or converted to own use through fraud, larceny, embezzlement, or other unlawful means.
- h. When debts are due to fines imposed by court-martial sentence.

### 1-9. Indebtedness that may not be remitted or canceled under 32 USC 710(c)

Debts will not be remitted or canceled—

- a. After discharge from ARNG unless the soldier has reenlisted or extended the term of service.
- b. When a soldier is retired, whether the debt occurred before or after retirement.
- c. If a soldier will receive less than an honorable discharge at time of separation from ARNG.

### 1-10. Reducing problems of indebtedness

- a. The commander is responsible for helping the soldier to resolve personal debts. This includes errors in pay. The local servicing military personnel officer (MILPO) and the finance and accounting officer (FAO) will help commanders to resolve indebtedness caused by administrative transactions.
- b. Soldiers must make sure that their financial accounts are correct. They must review their monthly leave and earnings statement (LES) and report errors or discrepancies to the commander and the FAO. The most common areas for errors in the LES are as follows:
  - (1) Leave balance.
  - (2) Receipt of basic allowance for quarters (BAQ), station housing allowance (SHA), or the cost of living allowance (COLA) at the "with dependents" rate when it should be at the "without dependents" rate.
  - (3) Family separation allowance when the soldier is divorced and does not have legal custody of the child or children.

### 1-11. Conditions governing debt remission or cancellation

- a. *General.* A soldier indebted to the US Government may request that the debt be remitted or canceled on the basis of hardship, injustice, or both. The debt must be within the scope of paragraphs 1-4, 1-6, and 1-7.
- b. *Limiting criteria.* The CG, MILPERCEN, will not consider the request if the following applies:

(1) It was repaid or collected before the immediate commander signed the DA Form 3508-R (Application for Remission or Cancellation of Indebtedness). If a debt is paid in part, however, the remaining portion will be considered.

(2) There is evidence of fraud, larceny, or embezzlement on the part of the applicant.

(3) The amount is \$100 or less and based on hardship only.

c. *Waiver.* Debts caused by erroneous payments other than travel or transportation allowances may be considered for waiver under AR 37-10. Amounts paid the Government will be refunded if waiver is approved. If a soldier is ineligible for remission or cancellation of a debt or for a portion of a debt, consideration may be given to a request for waiver. This may occur when—

(1) A soldier separates from active duty prior to a decision on his or her remission or cancellation of indebtedness case.

(2) A debt, or a portion of a debt, was collected prior to the commander's signature on the DA Form 3508-R.

d. *Army Board for Correction of Military Records.*

(1) Applications that may be considered for remission or cancellation, or waiver (AR 37-10), should not be sent to the Army Board for Correction of Military Records (ABCMR). However, a soldier may apply the ABCMR under AR 15-185 if circumstances prevented consideration of the debt. (For example, a soldier is indebted for travel or transportation allowances and the debt was collected before the application was signed by the commander or the soldier separated from active duty before a final decision was made.) If the ABCMR approves the application, any payments due will be processed under AR 37-104-3, part 4, chapter 9.

(2) Any application for remission or cancellation of indebtedness inadvertently sent to the ABCMR will be forwarded to MILPERCEN for consideration.

e. *Report of survey.* Applications for remission or cancellation of debts as a result of a report of survey are considered if based on hardship only. See *b* above for limiting criteria. A copy of the report of survey should be submitted with the application. Requests based on injustice are not proper for consideration of remission or cancellation. If the soldier believes the report of survey is erroneous or unjust, an appeal may be made under AR 735-11 or NGR 735-11. Final action on the application may be taken before a decision on the appeal when such action is in the best interests of the United States.

f. *Determining collection or proration.* Determination concerning collection or proration of a debt ending final action on an application is made per paragraph 3-5.

g. *Final action.* Notification and disposition of the

final action is made per paragraphs 3-6 and 3-7. Approval, partial approval, or disapproval of an application for remission or cancellation of indebtedness has no bearing on a soldier's entitlements.

**1-12. Determining injustice or hardship**

The Assistant Secretary of the Army (Manpower and Reserve Affairs), or CG, MILPERCEN, following the standards in this regulation, determines injustice or hardship on the basis of the information received. The following factors will be considered:

- a. The Army's policy in the area of indebtedness (for example, excess leave or BAQ while living in Government quarters).
- b. The soldier's awareness of policy and procedures. Past or present military occupational specialty (MOS), rank, years of service, and prior experience are taken into consideration.
- c. The soldier's monthly income and expenses.
- d. The soldier's contribution to the indebtedness by not having the situation corrected.
- e. Additional income or assets (for example, spouse's salary, savings account, and bonds).

**1-13. Additional factors for consideration in determining injustice**

The application must contain evidence that—

- a. The applicant did not know, and could not have known, of the error.
- b. The applicant inquired of a proper authority and was told that the payment was correct.

**1-14. Additional factors for consideration in determining hardship**

a. Repayment will cause hardship because of excessive monthly expenses due to the following:

- (1) Living in a high cost area.
- (2) Living apart from family members because of military orders.
- (3) Number and age of family members.
- (4) Medical and dental bills that cannot be reimbursed.
- (5) Other unusual expenses.

b. Expenses caused by living standards that are too high or by mishandling of funds are not a basis for a hardship case.

## Chapter 2

(4) The JUMPS-RC input station number and the AUTOVON number of the ARNG soldier's USPFO, if applicable.

(5) Comment on any allegations concerning finance and accounting procedures.

(6) Recommend approval, in whole or in part, or

3-2

disapproval. State reasons. Provide information to support the recommendation.

(7) Include report of investigation under AR 15-6, if applicable.

h. Advise MILPERCEN of events that occurred after submitting the application that could affect the case. (See para 3-1g.)

i. Send electrical message applications when the date of applying is 30 days or less before the soldier's separation from active duty or the ARNG. (See app B.) In addition, send the completed application, including DA Form 3508-R, to MILPERCEN.

j. Attach a copy of the DA Form 3508-R to the original adjustment authorization when made by USAFAC. They will be returned to USAFAC under AR 37-104-3, paragraph 70722b.

k. Collect the remaining debt if final action on the application has not been received by the date of separation from active duty or ARNG (5 USC 5514; DODPM, table 7-7-6; and AR 37-104-3, part 7). However, paragraph 3-5b applies if the soldier reenlists immediately or service is extended.

### 3-4. Commanders having general court-martial jurisdiction or State adjutants general

If paragraph 3-3f is a factor, these commanders will do the following:

a. Review paragraph 3-5 regarding collection and proration of debt pending final action on the application.

b. Evaluate all financial data and recommendations concerning proration of the debt, including soldier's statement.

c. If required, contact the immediate commander to obtain documents to support monthly income, expenses and assets (for example, savings accounts and bonds).

d. Resolve the issue of debt proration. If it is decided that this action is proper, determine the amount and the date it should begin.

e. Attach any additional documents that may affect the case. (See para 2-4.)

f. Return the application by indorsement to the FAO or USPFO.

### 3-5. Collection and proration pending final action on application

a. Monies for a debt must be repaid by the end of the expected period of active duty (5 USC 5514) or term of service. If repayment can be made, the following actions will be taken:

(1) Stop collection as of the date the immediate commander signs the application (received by military letter) unless the soldier desires otherwise.

(2) Recredit to the soldier's account any amounts collected on or after that date.

b. Determine if section 5514 of title 5, USC, is a factor and if the soldier intends to extend the term of serv-

ice or reenlist (DA Form 3508-R, item 6). If so, he or she may request partial or total collection during the new enlistment if full collection of the debt before separation would—

(1) Require total or nearly total withholding of final pay.

(2) Cause hardship.

c. Determine whether or not it is possible to pay the debt in full before the end of the expected period of active duty or term of service. If not, the commander should direct the FAO or USPFO to prorate the debt by withholding the sum from the soldier's pay. Amounts withheld after the commander signs the application will be refunded to the soldier if the debt is remitted or canceled. The amount remitted or canceled is that which is proper as determined by the Secretary of the Army or his or her designee.

d. Following is an example of debt proration: The soldier states that he or she does not intend to reenlist or extend the term of service or that he or she is undecided (DA Form 3508-R, item 6). The debt owed is \$1,000.08 and the ETS is in 12 months. Monthly expenses subtracted from monthly income leave a balance of \$150.00 (DA Form 3508-R, item 45c). Monthly expenses seem reasonable. The soldier has no other available funds (DA Form 3508-R, item 40). A collection of the minimum amount over the maximum period of time (\$1,000.08 divided by 12 months) equals \$83.34. This amount withheld each month should not cause hardship to the soldier or family members. However, it will insure payment of the debt by the end of the expected period of active duty or term of service. If the debt is remitted or canceled, any amount paid will be refunded to the soldier.

e. Coordinate with the FAO or USPFO to reduce the amount withheld each pay period if the withholding of a soldier's pay causes hardship. If an agreement cannot be reached, the commander having general court-martial authority or State adjutant general will make the decision. (See para 3-3f and 3-4.)

### 3-6. Notification and disposition of final action

CG, MILPERCEN, will inform the servicing FAO or USPFO, in writing, of the final decision on the application. The FAO or USPFO will—

a. Adjust the soldier's pay account (AR 37-104-3, para 70706) when he or she receives notice of final action from MILPERCEN.

(1) If all items are approved, the FAO or USPFO will credit the soldier's pay account with any amount

withheld after the date the application was signed by the commander.

(2) If the application is disapproved or is approved for partial remission, the FAO or USPFO will begin or reinstate collection. Reinstated collection will include the amounts withheld. If a refund is due because of partial remission or cancellation, the amount will be returned.

(3) Collection of amounts withheld normally will not be further suspended even if a request for reconsideration is submitted. If hardship would result, paragraph 3-5 applies.

b. Send a copy of the decision to the soldier through the chain of command, with appropriate information included as follows:

(1) The status of the collection.

(2) The amount of pay withheld (if any) to be refunded to the soldier.

(3) When the refund (if any) may be expected.

c. Send the following to Commander, USAFAC, Department 20, Indianapolis, IN 46249:

(1) The original decision. This is proof of any repayment or for the renewal of collections (AR 37-104-3, part 9, chap 7).

(2) The document that disclosed cause, reason, category, amount, and inclusive period of indebtedness, such as the DD Form 139.

d. File a copy of the decision in the soldier's PFR or send to the soldier's ARNG unit for filing in PFR as a permanent record.

### 3-7. Notification of final action on message applications

a. CG, MILPERCEN, will make the final decision on message applications except when action under paragraph 1-4d is required. The reply by message to FAO or USPFO will state whether the request is approved, in whole or in part, or disapproved.

b. When the FAO or USPFO receives the approval, partial approval, or disapproval, he or she will enter the following in item 11 of the final DA Form 2139 (Military Pay Voucher).

(1) A brief explanation of the debt.

(2) Remission or cancellation of the debt requested by message date-time group (DTG) \_\_\_\_\_. Amount approved \$ \_\_\_\_\_, amount disapproved \$ \_\_\_\_\_ by MILPERCEN message DTG \_\_\_\_\_.

c. Disposition of the final action will be made per paragraph 3-6.
