1. General. *a.* It is of primary importance that Headquarters, Department of the Army, have available on a current basis, information relating to the number of commissioned and warrant officer personnel, ordered to active duty (AD) or active duty for training (ADT), or appointed in

*This regulation supersedes AR 601-110, 14 October 1970, including all changes.

Regular Army from other Army components (ARNGUS, USAR, AUS), in relation to the procurement program from which commissioned or appointed.

b. A code entitled "Procurement Program Number" (hereinafter referred to as "PPN") has been devised which, together with other personnel data available, will readily provide the information outlined in *a* above.

2. Applicability. This regulation does not apply to the Army National Guard and the US Army Reserve personnel when not on active duty or active duty for training.

3. Explanation of terms. For the purpose of this regulation, the following will apply:

a. AD. Full-time duty in the active military service of the United States, other than ADT.

b. ADT. Full-time duty in the active military service of the United States for training purposes.

c. Voluntary order or recall to AD. The ordering or calling of individual members of the Reserve Components of the Army or retired Army personnel for full-time duty in the active military service of the United States with their consent.

(1) The ordering or calling of individual members of the Army Reserve or retired Army personnel of full-time duty in the active military service of the United States without their consent.

(2) The ordering of USAR or ARNGUS units and members thereof to full-time duty in the active military service of the United States without their consent.

★**4. Orders.** *a.* Orders announcing appointments in Regular Army will include PPNs for each individual. Each PPN will be identified as applicable to—

(1) Appointment in Regular Army and orders to active duty as Regular Army Officer.

(2) Appointment in Regular Army while on active duty in another Army component.

b. Orders prepared by major commands will include the proper PPN.

5. Procurement program numbers. The PPNs to be utilized, as outlined above, for the identification of all commissioned and warrant officer AD gains, ADT gains, and appointments in RA from other Army components are listed in appendix A (Regular Army Gains) and appendixes B, C and D (other than Regular Army gains).

a. Procurement program numbers outlined in appendix A can apply only to—

(1) Personnel appointed as commissioned officers in the Regular Army with simultaneous order to active duty effective with the date of oath of office (PPNs in the "A," "B," "C," "G," and "H" series codes).

(2) Personnel appointed as commissioned or warrant officers in the Regular Army while on active duty in a non-Regular Army commissioned or warrant officer status, or while on active duty in an enlisted status (PPNs in the "D," "E," and "F" series codes).

b. Procurement Program Numbers outlined in appendix B, other than PPNs S3, S4, SC, and SD can apply only to personnel appointed and/or ordered to active duty as non-Regular Army Commissioned officers in a branch other MC, DC, or VC, or personnel appointed and/or ordered to active duty as non-Regular Army warrant officers (PPNs in the "S," "T," "U," "W," "X," and "Z" series codes).

c. Procurement Program Numbers S3, S4, SC, and SD in appendix B can apply only to ROTC personnel appointed as non-Regular Army commissioned officers with the requirement to perform 3 to 6 months' active duty for training (ADT).

d. Procurement Program Numbers in appendix C can apply only to personnel appointed and/or ordered to active duty as non-Regular Army commissioned officers in MC, DC, VC, ANC, or AMSC branch.

e. Procurement Program Numbers in appendix D can apply to personnel appointed and/or ordered to active duty as Regular Army or non-

Regular Army commissioned officers in MC, DC, VC, or MSC branch.

6. Responsibilities. *a. Orders.* PPN will be included in orders as prescribed in AR 310-10. When an individual is ordered to active duty, other than Regular Army (OTRA), but, prior to the effective date of the active duty order, the individual executes oath of office in the Regular Army, the initial order will be revoked. The organization to which the individual was initially assigned will be notified by the orders issuing agency that the order has been revoked; when time does not permit, notification will be made

by electrical transmission which will be confirmed by the revocation order.

b. Strength accounting. SIDPERS Input and Control Data—Officer Accession (DA Form 3805) will be submitted in accordance with procedure 6-1, DA Pamphlet 600-8-2. Application PPN will be entered in Item 53, DA Form 3805.

c. Records. Personnel Qualification Records, Parts I and II (DA Forms 2 and 2-1) and the Officer Record Brief (DA Form 4037) will be updated under the provisions of AR 640-2-1. DA Form 3728 (SIDPERS Input and Control Data—

15 December 1978

C 1, AR 601-110

Personnel Change) will be submitted in accordance with procedure 2-65, DA Pamphlet 600-8-2, for initial entry, and update as required, in Item 68, DA Form 2. Entry will be

made at time of entry on active duty (AD), active duty for training (ADT), or appointment in the Regular Army from other Army components.

ARMY REGULATION }
No. 601-110

HEADQUARTERS
DEPARTMENT OF THE ARMY
WASHINGTON, DC, 17 August 1977

PERSONNEL PROCUREMENT
IDENTIFICATION OF COMMISSIONED AND WARRANT
OFFICER PERSONNEL
BY ARMY PROCUREMENT PROGRAM

Effective 1 October 1977

This revision provides additional PPN codes (SH, SJ, SK, SL, SM, SN, and U2) for 3 years active duty tour requirement for appointments from ROTC and OCS and adds codes Y3 and Y4 for involuntary order to active duty of commissioned and warrant officers as members of units (app B); clarifies the meaning of codes in C-1 and adds codes ZF and ZG to appendix C; and adds appendix D, "Procurement Program Numbers for US Army Health Professions Scholarship Program (HPSP) and Uniformed Services University of Health Sciences (USUHS)." Local supplementation of this regulation is permitted but is not required. If supplements are issued, Army Staff agencies and major Army commands will furnish one copy to HQDA (DAPC-PSF-C) Alexandria, VA 22332. Other commands will furnish one copy to next higher headquarters.

Appendix A. Procurement Program Numbers for Commissioned and Warrant Officer Gains to Regular Army	
B. Procurement Program Numbers for Commissioned and Warrant Officer Gains to Other Than Regular Army (Excluding Medical Corps, Dental Corps, and Veterinary Corps Officers)	
C. Procurement Program Numbers for Medical Corps, Dental Corps, Veterinary Corps, Army Nurse Corps, and Army Medical Specialist Corps Commissioned Officer Gains to Other Than Regular Army	
D. Procurement Program Numbers for US Army Health Professions Scholarship Program (HPSP) (AR 601-141) and Uniformed Services University of the Health Sciences (USUHS)	

1. General. *a.* It is of primary importance that Headquarters, Department of the Army, have available on a current basis, information relating to the number of commissioned and warrant officer personnel, ordered to active duty (AD) or active duty for training (ADT), or appointed in Regular Army from other Army components (ARNGUS, USAR, AUS), in relation to the procurement program from which commissioned or appointed.

b. A code entitled "Procurement Program Number" (hereinafter referred to as "PPN") has been devised which, together with other personnel data available, will readily provide the information outlined in *a* above.

2. Applicability. This regulation does not apply to the Army National Guard and the US Army Reserve personnel when not on active duty or active duty for training.

*This regulation supersedes AR 601-110, 14 October 1970, including all changes.

3. Explanation of terms. For the purpose of this regulation, the following will apply:

a. AD. Full-time duty in the active military service of the United States, other than ADT.

b. ADT. Full-time duty in the active military service of the United States for training purposes.

c. Voluntary order or recall to AD. The ordering or calling of individual members of the Reserve Components of the Army or retired Army personnel for full-time duty in the active military service of the United States with their consent.

(1) The ordering or calling of individual members of the Army Reserve or retired Army personnel of full-time duty in the active military service of the United States without their consent.

(2) The ordering of USAR or ARNGUS units and members thereof to full-time duty in the active military service of the United States without their consent.

4. Orders. *a.* Orders announcing appointments in Regular Army will include two PPNs for each individual. Each PPN will be identified as applicable to—

(1) Appointment in Regular Army and orders to active duty as Regular Army officer.

(2) Appointment in Regular Army while on active duty in another Army component.

b. Orders prepared by major commands will include the proper PPN.

5. Procurement program numbers. The PPNs to be utilized, as outlined above, for the identification of all commissioned and warrant officer AD gains, ADT gains, and appointments in RA from other Army components are listed in appendix A (Regular Army gains) and appendixes B, C and D (other than Regular Army gains).

a. Procurement program numbers outlined in appendix A can apply only to—

(1) Personnel appointed as commissioned officers in the Regular Army with simultaneous order to active duty effective with the date of oath of office (PPNs in the "A," "B," "C," "G," and "H" series codes).

(2) Personnel appointed as commissioned or warrant officers in the Regular Army while on active duty in a non-Regular Army commissioned or warrant officer status, or while on

active duty in an enlisted status (PPNs in the "D," "E," and "F" series codes).

ARMY REGULATION

No. 601-110

HEADQUARTERS
DEPARTMENT OF THE ARMY
WASHINGTON, DC, 17 August 1977

PERSONNEL PROCUREMENT

IDENTIFICATION OF COMMISSIONED AND WARRANT
OFFICER PERSONNEL
BY ARMY PROCUREMENT PROGRAM

Effective 1 October 1977

This revision provides additional PPN codes (SH, SJ, SK, SL, SM, SN, and U2) for 3 years active duty tour requirement for appointments from ROTC and OCS, and adds codes Y3 and Y4 for involuntary order to active duty of commissioned and warrant officers as members of units (app B); clarifies the meaning of codes in C-1 and adds codes ZF and ZG to appendix C; and adds appendix D, "Procurement Program Numbers for US Army Health Professions Scholarship Program (HPSP) and Uniformed Services University of Health Sciences (USUHS)." Local supplementation of this regulation is permitted but is not required. If supplements are issued, Army Staff agencies and major Army commands will furnish one copy to HQDA (DAPC-PSF-C) Alexandria, VA 22332. Other commands will furnish one copy to next higher headquarters.

Appendix A. Procurement Program Numbers for Commissioned and Warrant Officer Gains to Regular Army

- B. Procurement Program Numbers for Commissioned and Warrant Officer Gains to Other Than Regular Army (Excluding Medical Corps, Dental Corps, and Veterinary Corps Officers)
- C. Procurement Program Numbers for Medical Corps, Dental Corps, Veterinary Corps, Army Nurse Corps, and Army Medical Specialist Corps Commissioned and Warrant Officer Gains to Other Than Regular Army
- D. Procurement Program Numbers for US Army Health Professions Scholarship Program (HPSP) (AR 601-141) and Uniformed Services University of Health Sciences (USUHS)

1. General. *a.* It is of primary importance that Headquarters, Department of the Army, have available on a current basis, information relating to the number of commissioned and warrant officer personnel, ordered to active duty (AD) or active duty for training (ADT), or appointed in Regular Army from other Army components (ARNGUS, USAR, AUS), in relation to the procurement program from which commissioned or appointed.

b. A code entitled "Procurement Program Number" (hereinafter referred to as "PPN") has been devised which, together with other personnel data available, will readily provide the information outlined in *a* above.

2. Applicability. This regulation does not apply to the Army National Guard and the US Army Reserve personnel when not on active duty or active duty training.

*This regulation supersedes AR 601-110, 14 October 1970, including all changes.

RETURN TO THE ARMY LIBRARY 1
ROOM 1A518 PENTAGON
WASHINGTON, D.C. 20310

3. Explanation of terms. For the purpose of this regulation, the following will apply:

a. AD. Full-time duty in the active military service of the United States, other than ADT.

b. ADT. Full-time duty in the active military service of the United States for training purposes.

c. Voluntary order or recall to AD. The ordering or calling of individual members of the Reserve Components of the Army or retired Army personnel for full-time duty in the active military service of the United States with their consent.

(1) The ordering or calling of individual members of the Army Reserve or retired Army personnel of full-time duty in the active military service of the United States without their consent.

(2) The ordering of USAR or ARNGUS units and members thereof to full-time duty in the active military service of the United States without their consent.

4. Orders. *a.* Department of the Army orders announcing appointments in Regular Army will include two PPN's for each individual. Each PPN will be identified as applicable to—

(1) Appointment in Regular Army and orders to active duty as Regular Army officer.

(2) Appointment in Regular Army while on active duty in another Army component.

b. Orders prepared by the Adjutant General or by major commands will include the proper PPN.

5. Personnel qualification record. DA Form 2 for commissioned and warrant officer personnel will, at time of entry on AD, ADT or appointment in Regular Army from other Army components, be annotated to indicate the applicable PPN in item 68.

6. Procurement program numbers. The PPN's to be utilized, as outlined above, for the identification of all commissioned and warrant officer AD gains, ADT gains, and appointments in RA from other Army components are listed in appendix A (Regular Army gains) and appen-

dixes B, C and D (other than Regular Army gains).

a. Procurement program numbers outlined in appendix A can apply only to—

(1) Personnel appointed as commissioned officers in the Regular Army with simultaneous order to active duty effective with the date of oath of office (PPN's in the "A," "B," "C," "G," and "H" series codes).

(2) Personnel appointed as commissioned or warrant officers in the Regular Army while on active duty in a non-Regular Army commissioned or warrant officer status, or while on active duty in an enlisted status (PPN's in the "D," "E," and "F" series codes).

b. Procurement Program Numbers outlined in appendix B, other than PPN's S3, S4, SC, and SD can apply only to personnel appointed and/or ordered to active duty as non-Regular Army commissioned officers in a branch other than MC, DC, VC, ANC, or AMSC, or personnel appointed and/or ordered to active duty as non-Regular Army warrant officers (PPN's in the "S," "T," "U," "W," "X," and "Z" series codes).

c. Procurement Program Numbers S3, S4, SC, and SD in appendix B can apply only to ROTC personnel appointed as non-Regular Army commissioned officers with the requirement to perform 3 to 6 months' active duty for training (ADT).

d. Procurement Program Numbers in appendix C can apply only to personnel appointed and/or ordered to active duty as non-Regular Army commissioned Officers in MC, DC, VC, ANC, or AMSC branch.

e. Procurement Program Numbers in appendix D can apply to personnel appointed and/or ordered to active duty as Regular Army or non-Regular Army Commissioned Officers in MC, DC, VC, or MSC branch.

7. Responsibilities. In connection with paragraph 1a, it is essential that the PPN be included in the morning report remark announcing the appointment in Regular Army while on active duty in another Army component, or

order to active duty for training. Accordingly, the following will apply:

a. The order-preparing agency of the major command headquarters will determine the proper PPN for officers ordered to active duty or active duty for training, and include this data in orders. In those cases where an individual is ordered to active duty as a non-Regular Army officer, but prior to effective date of ordered to active duty, subject individual is appointed as Regular Army, the order-preparing agency of the major command headquarters will revoke the initial order and notify the organization to which the individual was

initially assigned that such order has been revoked. When time does not permit, notification will be made by electrical transmission, which will be confirmed by the revocation order.

b. For appointment in Regular Army, the appropriate PPN will be selected from the DA appointment order for inclusion in item 53, DA Form 3805.

c. The unit personnel officer will assure that the PPN is reported in accordance with Procedure 6-1, DA Pamphlet 600-8-2 and included in Item 53, DA Form 3805 (SIDPERS Input and Control data—Officer Accession).

- TZ USAR or AUS commissioned officer, Selective Service MSC (AR 135-101) (add special draft call number; e.g., PPN—TZ—40).
- UA USAR or AUS Commissioned Officer from enlisted status upon completion of Civilian school, Environmental Health Sciences and Engineering program.
- UB Clinical Psychology intern MSC.
- VV Medical Corps—Senior Medical Students Program and Professional Training Program (AR 601-130).

B-3. Appointment as warrant officer with concurrent call to AD from—

- W1 USAR commissioned officer status—NAD (AR 135-100).
- W2 ARNGUS or USAR enlisted status—NAD (AR 135-100).
- W3 Enlisted status—on AD (AR 135-100).
- W4 Civilian status as a nonmilitary person (AR 135-100).
- W5 Appointed as USAR warrant officer from active duty enlisted status—3-year AD tour requirement—aviation enlistment option (AR 601-210).

B-4. Voluntary and involuntary order to active duty of commissioned officers and warrant officers as individuals.

- X1 Voluntarily ordered to AD during ADT tour or the day following completion of ADT (AR 135-210).
- X2 Voluntarily ordered to AD from Ready Reserve or ARNGUS (AR 135-210).
- X3 Voluntarily order to AD from Standby Reserves (AR 135-210).
