*AR 601-130

ARMY REGULATION

No. 601-130

Ch,

HEADQUARTERS
DEPARTMENT OF THE ARMY
WASHINGTON, DC 11 March 1971

PERSONNEL PROCUREMENT

MEDICAL, OSTEOPATHIC, DENTAL, AND VETERINARY SENIOR STUDENT PROGRAMS AND OTHER PROFESSIONAL TRAINING PROGRAMS

Effective 1 May 1971

This revision of AR 601-130 combines the Medical, Dental and Veterinary Senior Student Programs and the Army Medical Intern and Dental Intern Programs into one regulation. The revision also permits students of osteopathy to participate in the Senior Medical Student Program and Army Medical Intern Program. Local supplementation of this regulation is permitted but is not required. If supplements are issued, Army staff agencies and major Army commands will furnish one copy of each to The Surgeon General, ATTN: MEDPT-R; other commands will furnish one copy of each to the next higher headquarters.

CHAPTER 1

GENERAL

1-1. Purpose and scope. This regulation governs the following Army Medical Department procurement and professional training programs designed to obtain career officers for the Medical, Dental and Veterinary Corps.

a. Senior Medical and Osteopathic Student Program.

b. Senior Dental Student Program (currently suspended).

c. Senior Veterinary Student Program.

d. Medical Intern Program.

e. Dental Intern Program.

1-2. General eligibility requirements. Participants in these programs are officers on active duty. Applicants other than Regular Army officers must meet the eligibility requirements in paragraph 4*a-f*, AR 601-100; paragraph 1-3 and 1-4 below. All applicants must fulfill the special eligibility requirements for the program concerned (para 2-2 and 3-2).

1-3. Medical examination. Applicants will undergo a Type A medical examination of the scope prescribed for appointment by chapter 10 and appendix IX, AR 40-501. Medical fitness standards prescribed in chapter 2, AR 40-501 will apply. The medical examination will be conducted at an Armed Forces medical facility or at no expense to the Government at the medical facility supporting the institution which the applicant is attending. Applicants for appointment are not entitled to reimbursement for travel and incidental costs incurred in undergoing medical examinations.

1-4. Security requirements. *a.* Applicants will not be appointed until appropriate personnel security investigations required by paragraph 1-4*i*, AR 135-100, have been completed with favorable results. Responsibility for the initiation of requests for appropriate personnel security investigations is assigned to—

(1) Army commanders as soon as applications are received from—

(*a*) Civilian applicants who have not been appointed as officers in the United States Army.

(*b*) Except as indicated in (2) below, members of the Reserve components under the Army commander's area of jurisdiction who are not on

active duty and whose most recent personnel security investigation is more than 4 years old at the time of application.

(2) The Commanding Officer, U.S. Army Reserve Components Personnel Center, Commanding General, US Army Administration Center, and the Chief, National Guard Bureau, upon receipt of an application or advice indicating that a member of their organization has applied for participation in a program covered by this regulation, if the applicant's most recent personnel security investigation is more than 4 years old at the time of application.

b. The commanders cited in *a* (1) and (2) above will forward results of completed personnel security investigations to The Surgeon General, ATTN: MEDPT-R. However, the forwarding of applications for programs will not be delayed pending receipt of these results by the commanders. When transmitting applications concerning which the results of personnel security investigations have not been received, the commanders will indicate the type of personnel security investigations requested and the dates of their requests therefor.

c. Results of personnel security investigations pertaining to medical intern applicants must be received in the Office of The Surgeon General, ATTN: MEDPT-RD, by 15 January as no medical intern applicant can be placed on the order of merit list which is forwarded to the National Intern and Resident Matching Program if the appropriate personnel security investigation has not been completed by that date.

1-5. Waivers. Waiver of eligibility requirements listed herein may be requested.

1-6. Selection procedures. Selection will be made by boards of officers appointed by The Surgeon General. Criteria for selection will include scholastic and professional standing, mental, moral, and medical fitness, demonstrated interest in a military career, and leadership potential as evidenced by past achievements.

a. Each applicant for participation will be notified of his selection or nonselection by The Surgeon General and will be advised as to whether he is a principal or alternate selectee. Selectees will

be required to advise The Surgeon General of acceptance or nonacceptance within 10 days after receipt of notification.

b. Each selected applicant for the Medical Intern Program will be notified in mid-March through the dean of the medical school in accordance with instructions issued by the National Intern and Resident Matching Program.

1-7. Special provisions for Regular Army Officers. Officers participating in the Program for Medical, Osteopathic, Dental and Veterinary Education for Regular Army Officers (AR 601-112) are eligible for participation in these programs as listed below.

a. Excess leave participants may apply for the Senior Medical, Osteopathic, Dental, or Veterinary Student Programs, as appropriate.

b. Medical, osteopathic, and dental participants will apply for and participate in the Army Intern Programs. All participants attending medical or osteopathic school must apply for the Army Medical Intern Program and must designate the Army Medical Department as their first choice in the National Intern and Resident Matching Program.

c. Participants will participate in grade and are eligible for promotion unless precluded by law or other directives.

1-8. Obligations. a. Senior Student Programs.

(1) Applicants will agree to accept appointment, reappointment or branch transfer in the grade of first lieutenant (regardless of the temporary grade in which serving) for assignment to the Medical Corps, Dental Corps, or Veterinary Corps, in the component in which currently serving, immediately upon graduation from medical, osteopathic, dental, or veterinary school. Appointment in this grade will be tendered within sufficient time so that the Oath of Office—Military Personnel (DA Form 71) accepting appointment may be effective immediately upon graduation.

(2) Except as noted in (3) below, medical and osteopathic participants will be required to participate in the National Intern and Resident Matching Program and serve on active duty as Medical Corps officers for a period of 3 years following completion of intern training. Participants in this program may not apply for internships sponsored by other military departments. Those who are matched to the Army for a military internship will continue on active duty after graduation from medical or osteopathic school.

Participants who are not matched for a military internship will, upon notification by The Adjutant General, be released from active duty immediately upon graduation and concurrently reappointed or branch transferred to the Medical Corps in the grade of first lieutenant by the area commander. They will revert to their Reserve status for the purpose of undergoing a civilian internship not to exceed 12 months in duration. Such participants will agree to be ordered to active duty at the end of this 12-month period in order to completely their obligated service of 3 years.

(3) Participants who already have a contractual obligation to serve more than 2 years (e.g. ROTC Scholarship Program graduates in a delay status) will have their obligation increased by 1 year. Other participants in this program who subsequently participate in programs sponsored by the Department of the Army for which a minimum period of active duty is prescribed will be required to serve only 1 year in addition to any other obligation incurred. In no event, however, will the total period of obligated service be less than 3 years. Service while participating in these programs is not creditable toward any obligation incurred through participation in any previous educational programs. Service while attending subsequent courses and/or training programs is not creditable toward the obligation incurred under these programs.

b. *Medical Intern Program.* There is no period of obligatory service incurred by those persons who enter and receive training under this program. Individuals who participate in the Medical Intern Program who have a service obligation under the Military Selective Service Act of 1967 will serve such obligation (24 months) immediately following the internship. Individuals who do not have a service obligation under the Selective Service Act are required to serve on active duty for the period of internship only. However, all participants will be encouraged to remain on active duty as Regular or Reserve officers.

c. *Dental Intern Program.* Dental interns will be required to serve on active duty as Dental Corps officers, including the period of internship, unless sooner discharged for the convenience of the Government or because of compassionate circumstances, for minimum periods as follows: Interns who participate in the Army Senior Dental Student Program—4 years; other interns—3 years.

they are matriculated if such training is required by their school. Such activity will be on a permissive travel basis (TC 417, AR 310-10) at no expense to the Government. Per diem and travel pay is not authorized. Applications for permissive temporary travel for this purpose will be submitted at least 60 days in advance to the commanding officer of the student detachment to which the student is assigned for issuance of appropriate orders. Travel outside of continental United States requires extra consideration and authority. The provisions of AR 1-40 apply. In all instances, a statement from the dean or other appropriate officials at the school will accompany the application. Request for permissive travel outside of CONUS will be referred to The Surgeon General, ATTN: MEDPT-RD or MEDPT-RM by the commander of the student detachment.

e. Other travel procedures. It will be the responsibility of the participants to keep their commanding officer advised of their whereabouts at all times.

f. Military administration. The Army commander; Commanding General, U.S. Army, Hawaii; or Commanding General, Military District of Washington, whichever is immediately concerned will, in accordance with current Department of Army policies, be responsible for the military administration of all student personnel assigned to their headquarters. This will include pay, discipline, medical care, supply, transportation, leave of absence, clinical training, travel, and supply of pertinent Department of Army publications. Student personnel will normally correspond directly with the headquarters to which they are assigned on any matter affecting their duty status or assignment rather than The Surgeon General. Two copies of all orders or personnel actions that have any effect on the status of the

student will be forwarded to The Surgeon General, ATTN: MEDPT-RD or MEDPT-RM, Department of the Army, Washington, DC 20314.

g. Officer Qualification Records (DA Form 66). Officer Qualification records will accurately reflect the status of participants and the accomplishment of efficiency reports. Nonrated periods will be clearly reflected. Periods of authorized activities outside of the immediate professional school vicinity will be appropriately recorded.

h. Assignments. The Surgeon General (MEDPT-RD or MEDPT-RM), will initiate orders effecting relief from the program, subsequent assignment, and branch transfer or reappointment, as appropriate.

2-7. Failure to graduate. Participants who fail to graduate or are dropped from professional school for academic or other reasons will be reported by the commanding officer of the student detachment to The Surgeon General, ATTN: MEDPT-R. Such individuals will be reassigned by Headquarters, Department of the Army. They may be required to serve any obligation incurred as a result of training under this program.

2-8. Release from active duty. Senior Medical and Osteopathic Student Program participants released from active duty for 1 year to complete other than an Army internship (para 1-8a(2)) will undergo a medical examination as prescribed in paragraph 10-25, AR 40-501. They will be assigned to the USAR Control Group (Officer Active Duty Obligor) under the jurisdiction of the Commanding Officer, US Army Reserve Components Personnel Center (AR 601-26). They will be reassessed as PPN-TJ (AR 601-110) and processed and nominated to The Surgeon General, ATTN: MEDPT-RD, by 1 February of the following year for entry on active duty during the fiscal year beginning 1 July of the same calendar year.

CHAPTER 3

MEDICAL AND DENTAL INTERN PROGRAMS

3-1. Description.

a. Medical Intern Program. Each year senior medical and osteopathic students will be selected for rotating and straight military medical internships. Training is approved by the Council on Medical Education of the American Medical Association and is conducted in Army hospitals, for a 1 year period commencing each July.

b. Dental Intern Program. Each year dental school graduates will be selected for military dental internships. Training approved by the Council on Dental Education of the American Dental Association is conducted at certain Army installations for a 1 year period commencing each July. Comprehensive rotating training is offered in the following areas:

- Examination, diagnosis, and treatment planning
- Periodontics and preventive medicine
- Oral surgery
- Operative dentistry, fixed prosthodontics
- Removable prosthodontics
- Endodontics

In addition, courses will be given in anesthesia and surgical techniques, basic and applied sciences and research. Attendance at clinical pathology, tumor, and professional staff conference is required.

3-2. Special eligibility requirements. Applicants must—

a. Be enrolled in the senior year of an approved school of medicine, osteopathy or dentistry. Graduates of foreign medical schools, other than Canadian, must receive permanent certification from the Educational Council for Foreign Medical Graduates.

b. Have reached the 21st birthday but not have passed the age of 32 upon entry into the Army Medical or Dental Intern Program. Exception is granted for those participants of the Program for Medical, Osteopathic, Dental, and Veterinary Education for Regular Army Officers (AR 601-112).

3-3. Reserve appointments and active duty grade.

a. Selected candidates who do not hold a Reserve of the Army appointment will be commissioned in the grade of first lieutenant, Medical Corps, or Dental Corps, as appropriate, with assignment to the Army Reserve, and will be ordered to active duty in the grade of captain, Army of the United States.

b. Candidates holding a current Reserve of the Army appointment with assignment to the Army National Guard of the United States, or Army Reserve, as first lieutenant, Medical Corps or Dental Corps, will be ordered to active duty in the grade of captain, Army of the United States.

c. Candidates holding a Reserve of the Army appointment above the grade of first lieutenant will be reappointed to the grade of first lieutenant, Medical or Dental Corps, ARNGUS or Army Reserve, as appropriate, and ordered to active duty in the grade of captain, Army of the United States.

3-4. Special Pay. Medical and dental interns are not entitled to special pay. See paragraph 10503b, chapter 5, DODPM.

3-5. Participants assigned to U.S. Army Tripler General Hospital. Those participants assigned to U.S. Army Tripler General Hospital to undertake their medical internship will be authorized concurrent travel of dependents. Participants and their families are exempt from requirements for POR processing and the requirement for processing through the port of embarkation processing contained in AR 612-2. Necessary immunizations, personnel, pay and other processing will be accomplished after arrival in Hawaii. The Commanding Officer, U.S. Army Reserve Components Personnel Center, is authorized to include in the orders an authorization for category Z air transportation for participants and their dependents. Sponsors will be required to notify the Commanding General, U.S. Army Tripler General Hospital, Honolulu, Hawaii, by electrical message of the flight number, date and time of arrival, and the number of dependents accompanying the sponsor.

CHAPTER 4

APPLICATION PROCEDURES

4-1. General. *a. Senior Student Programs.*

(1) Applicants who do not hold a current appointment as a Reserve commissioned officer of the Army and desire to participate in Army Reserve status will submit the following:

(a) DA Form 61 (Application for Appointment) in duplicate.

(b) DA Form 3687 (Application and Certificate of Acknowledgment and Understanding of Service Requirements for the Army Senior Medical, Osteopathic, Dental or Veterinary Student Program) in triplicate.

(c) DA Form 160 (Application for Active Duty) one copy.

(d) Standard Form 88 (Report of Medical Examination), Standard Form 89 (Report of Medical History) and reports of consultation, if any, in duplicate.

(e) DD Form 98 (Armed Forces Security Questionnaire) in duplicate. Applicants who fail or refuse to accomplish DD Form 98 in its entirety will be denied appointment. If the applicant completes DD Form 98 with qualifications, or entries are made thereon which provide reason for belief that appointment is not clearly consistent with the interest of national security, appointment will not be made without specific approval of the Secretary of the Army.

(f) DA Form 3208 (Worksheet for National Agency Check Request) one copy. Every item will be completed.

(g) FD Form 258 (FBI U.S. Department of Justice Fingerprint Card (Applicant)) two copies. This form may be accomplished at any military facility or law enforcement agency.

(h) Photograph (recent head and shoulder type) 3 by 5 inches.

(i) Evaluation from the Army Medical Department personnel counselor.

(j) For applicants who are members of a Reserve component of any other armed force, evidence that the applicant will be granted a conditional release contingent upon appointment in the Army Reserve under this program.

(k) Letter of recommendation from the dean, to be forwarded by the dean, direct to The Surgeon General, ATTN: MEDPT-RD, or

MEDPT-RM, Department of the Army, Washington, DC 20314.

(2) Applicants who do not hold a current appointment as a commissioned officer of the Army and who desire to participate in the Senior Student Programs in an Army National Guard of the United States status, must obtain Federal recognition and appointment as a Reserve of the Army (ARNGUS) prior to the submission of their application and allied papers for participation in the programs. These individuals will be referred to the appropriate State adjutant general (for address of State adjutants general, see AR 635-5) for consideration. To be eligible for Federal recognition as second lieutenants Medical Service Corps, they must meet the general requirements contained in NGR 600-100, except as follows:

(a) Applicants must not have attained their 30th birthday prior to their appointment as second lieutenants, Medical Service Corps.

(b) Applicants will be considered to meet the education and service requirements contained in NGR 600-100 by virtue of their enrollment in an accredited medical, osteopathic, dental, or veterinary school.

(c) Upon completion of the above requirements, these applicants will submit the documents listed in a(1) above, except DA Form 61, DA Form 3208, and FD Form 258.

(3) Those applicants who hold commissions in the Army Reserve will submit the documents listed in a(1) above, except for DA Form 61, DA Form 3208 and FD Form 258.

(4) Those applicants who hold commissions in the Regular Army will need only to submit the documents listed in 4-1a(1)(b) and (k) above.

b. Medical Intern Program.

(1) All applicants will submit application in letter form (fig 4-1) in duplicate.

(2) Applicants who are participants in the Senior Medical and Osteopathic Student Program need only to submit the following in addition to the letter of application:

(a) Standard Form 88 (Report of Medical Examination), Standard Form 89 (Report of

Medical History), and reports of consultation, if any, in duplicate.

(b) Evaluation from the Army Medical Department Personnel Counselor.

(c) Letter of recommendation from the dean, to be forwarded by the dean direct to The Surgeon General, ATTN: MEDPT-RD, Department of the Army, Washington, DC 20314.

(3) Applicants who hold appointments as Reserve commissioned officers of the Army, other than those indicated in (2) above, will submit the documents listed in paragraph 4-1a(1)(a), (b), and (g). Applications submitted by officers of the Army National Guard of the United States will include a statement from the State adjutant general indicating consent for the applicant to serve on active duty.

(4) Other applicants who do not hold a current appointment as a Reserve commissioned officer of the Army will submit the documents listed in paragraph 4-1a(1), except 4-1a(1)(b).

c. Dental Intern Program.

(1) All applicants will submit DA Form 3688 (Application and Certificate of Acknowledgment and Understanding of Service Requirements for the Army Dental Intern Program) in duplicate.

(2) Applicants who are participants in the Senior Dental Student Program need only to submit the following in addition to DA Form 3688 (Application and Certificate of Acknowledgment and Understanding of Service Requirements for the Army Dental Intern Program).

(a) Standard Form 88 (Report of Medical Examination), Standard Form 89 (Report of Medical History), and reports of consultation, if any, in duplicate.

(b) Evaluation from the Army Medical Department personnel counselor.

(c) Letter of recommendation from the dean, to be forwarded by the dean direct to The Surgeon General, ATTN: MEDPT-RD, Department of the Army, Washington, DC 20314.

(3) Applicants who hold appointments as Reserve commissioned officers of the Army, other than those indicated in (2) above, will submit the documents listed in paragraph 4-1a(1)(a), (b), (f) and (g). Applications submitted by officers of the Army National Guard of the United States will include a statement from the State adjutant

general indicating consent for the applicant to serve on active duty.

(4) Those applicants who hold commissions in the Regular Army need only to submit the documents listed in c(1) and (2)(c) above.

(5) Other applicants who do not hold a current appointment as Reserve commissioned officer of the Army will submit the documents listed in paragraph 4-1a(1), except 4-1a(1)(b).

4-2. Forwarding applications. a. Senior Student Programs.

(1) Applications for the Senior Medical and Osteopathic Student Program and Senior Dental Student Program will be forwarded so as to reach The Surgeon General, ATTN: MEDPT-RD, Department of the Army, Washington, DC 20314, at the earliest practicable date, but not later than 15 January of the junior year, in order that selections can be made and orders issued prior to the start of the senior year. Late applications will be considered for any unfilled vacancies. The same procedure applies to the Senior Veterinary Student Program, except that applications are forwarded to The Surgeon General, ATTN: MEDPT-RM.

(2) Civilian applicants who desire to participate in the Senior Student Programs in Army Reserve status will forward the application with allied documents through the appropriate Army commander to The Surgeon General, ATTN: MEDPT-RD, or MEDPT-RM, Department of the Army, Washington, DC 20314.

(3) Members of the Army National Guard of the United States will forward their application with allied documents to the appropriate State adjutant general, who will, in turn, forward the application through the appropriate Army commander and Chief, National Guard Bureau, to The Surgeon General. Applications submitted by officers of the Army National Guard of the United States will include a statement from the State adjutant general concerned stating generally as follows:

If _____ is selected for participation in the Army Senior Medical or Osteopathic, Dental or Veterinary Student Program, consent is hereby granted for him to serve on active duty in accordance with the provisions of AR 601-130.

(4) Members of the Army Reserve will submit their applications with allied documents as follows:

(a) Members of a USAR unit: to their unit commander, who will forward the application with appropriate remarks through the appropriate Army commander to The Surgeon General.

(b) Members assigned to USAR Control Group (Officer Active Duty Obligor) (OADO), U.S. Army Reserve: to the Commanding Officer, U.S. Army Reserve Components Personnel Center, ATTN: RCPO-A, Fort Benjamin Harrison, Indiana 46249, who will forward the application to The Surgeon General with appropriate remarks.

(c) Members assigned to a control group, U.S. Army Administration Center: to the Commanding General, U.S. Army Administration Center, ATTN: AGUZ-S, St. Louis, Missouri 63132, who will forward the application to The Surgeon General with appropriate remarks.

b. Medical Intern Program. The letter of application (fig. 4-1) with allied documents will be forwarded by the applicant to The Surgeon General, ATTN: MEDPT-RD, Department of the Army, Washington, DC 20314, through the appropriate Army commander, Commanding Officer, U.S. Army Reserve Components Personnel Center, or Commanding General, U.S. Army Administration Center, as appropriate during the period of 1

October to 1 December, in accordance with instructions issued by the National Intern and Resident Matching Program. Applications from officers of the Army National Guard of the United States will be forwarded to the appropriate State adjutant general who will, in turn, forward the application through the Army commander and Chief, National Guard Bureau, to The Surgeon General, ATTN: MEDPT-RD, Department of the Army, Washington, DC 20314.

c. Dental Intern Program. DA Form 3688 (Application and Certificate of Acknowledgment and Understanding of Service Requirements for the Army Dental Intern Program) with allied documents will be forwarded by the applicant to The Surgeon General, ATTN: MEDPT-RD, through the appropriate Army commander, not later than 1 November of the senior year. Applications from officers of the Army National Guard of the United States will be forwarded to the appropriate State adjutant general who will, in turn, forward the application through the Army commander and Chief, National Guard Bureau, to The Surgeon General, ATTN: MEDPT-RD, Department of the Army, Washington, DC 20314.

SUBJECT: Army Medical Intern Program

THRU:

TO: The Surgeon General
ATTN: MEDPT-RD
Department of the Army
Washington, DC 20314

1. Under the provisions of AR 601-130, I hereby make application for participation in the Army Medical Intern Program. I have indicated the order of my preference for special hospital assignment in paragraph 3. I understand that although every effort will be made to comply with my desires, I agree to accept assignment at any of the hospitals listed.
2. I desire to be considered for the following type/types of internship: Rotating Internship _____ Straight Internship _____ (If you desire to be considered for both types, indicate your order of preference as "1st" or "2d" in space provided).
3. My order of preference of hospital is indicated below: (Fill in both rotating internship section and straight intership section only if you desire to be considered for both type internships. Applying for *both* the rotating and straight internships will enhance your chances of being selected for an Army internship).

Figure 4-1. Application for Medical Intern Program
