ARMY REGULATION  
No. 604-45  
AIR FORCE REGULATION  
No. 124-5

DEPARTMENTS OF THE ARMY  
AND THE AIR FORCE

WASHINGTON, D.C., 14 December 1966

**PERSONNEL SECURITY CLEARANCE**  
**DESIGNATION OF ORGANIZATIONS IN CONNECTION WITH THE**  
**FEDERAL EMPLOYEE SECURITY PROGRAM**

General	-----	Paragraph	1
List	-----		2

**1. General.** *a.* Executive Order No. 10450, 27 April 1953, established security requirements for Government employees and provided that the Department of Justice furnish to the heads of departments and agencies the name of each foreign or domestic organization, association, movement, group or combination of persons which the Attorney General, after appropriate investigation and determination, designates as totalitarian, fascist, communist or subversive, or as having adopted a policy of advocating or approving the commission of acts of force or violence to deny others their rights under the Constitution of the United States, or as seeking to alter the form of government of the United States by unconstitutional means.

*b.* The principle of Executive Order No. 10450 is that all persons seeking the privilege of employment or privileged to be employed in the departments and agencies of the Government shall be adjudged by minimum standards and by procedures which are mutually consistent among the departments and agencies of the Federal Government. Membership in, affiliation with or sympathetic association with, any organization designated pursuant to Executive Order No. 10450 is but one of the factors by which a department or agency shall reach its determination and about which information shall be developed as to whether the employment or retention in employment in the Federal service of the person being investigated is clearly consistent with the interests of national security.

*c.* The list is designed primarily for use in connection with security determinations concerning Government employees; however, it serves a sim-

ilar purpose for security determinations with respect to military personnel of the Departments of the Army and the Air Force and for industrial contractor personnel. Commanding officers, therefore, will take appropriate action to bring the list to the attention of all civilian and military personnel of their organizations and to inform such personnel that affiliation or association with any one or more of the organizations listed, or individuals known to be officers or members, or with any other organization or group which is subversive or advocates the overthrow of the Government of the United States by force could entail serious risks on their part in connection with security determinations. DD Form 48-1 (Certificate of Nonaffiliation with Certain Organizations) and DD Form 98 (Armed Forces Security Questionnaire) contain the list of designated organizations.
