MEMORANDUM FOR: THE DEPUTY CHIEF OF STAFF FOR OPERATIONS AND PLANS

SUBJECT: Report - CONUS Based Organizations Operating OCONUS

1. The DOD Reorganization Act of 1986 requires that all forces operating within the geographic area of a unified combatant command be assigned to and under the command of the unified commander except as otherwise directed by the Secretary of Defense. There are several CONUS based Army activities with functional responsibilities worldwide that have subordinate elements operating in the geographic area of a unified combatant commander.
2. The enclosed report was prepared at the request of the Deputy Chief of Staff for Operations and Plans to determine which OCONUS elements of CONUS based organizations should be assigned to a unified combatant commander and those which should be excepted. The report and recommendations are provided to assist the Army Staff in assigning these forces in compliance with the DOD Reorganization Act of 1986.
3. The point of contact for this report is LTC Albert E. Warburton, Executive Actions Division, Management Directorate, Office of the Chief of Staff, Army (DACS-DMC), telephone number: Autovon 225-1071.
