First Phase of New Concourse Set to Open

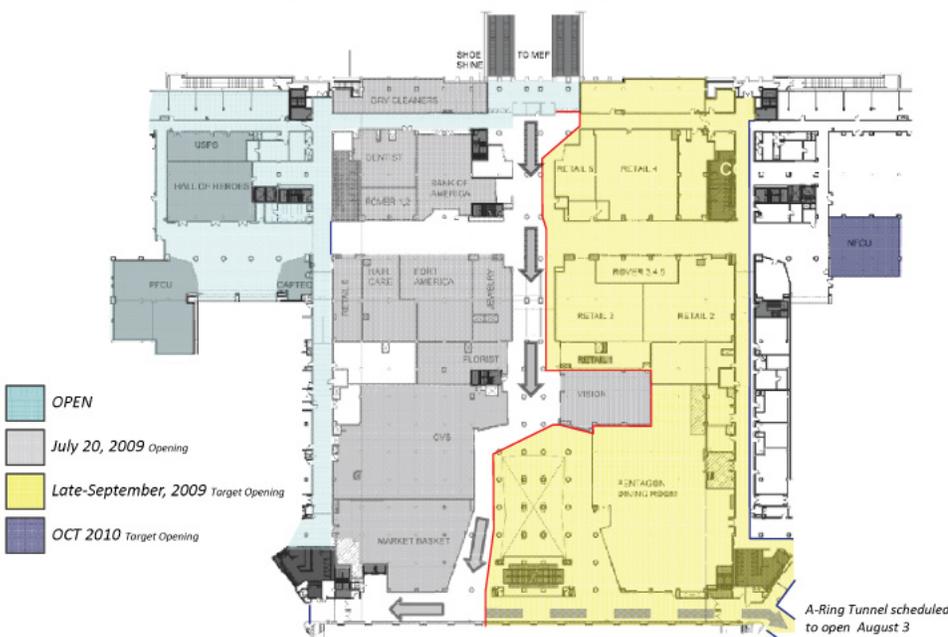

The first phase of the new Pentagon Concourse will open to the public on July 20, 2009, which will include a majority of the retail concessions to be offered to the workforce and visitors alike. There will be new retail offerings to be added to the current concessionaires, such as CVS drug store, David Mann Jewelers, Bank of America, Pentagon Vision Center, a dental office, and others.

Because of the first phase of the Concourse opening, and ongoing construction activities, there will be numerous new route changes:

- **July 20:** The pathway from the Metro Entrance Facility to the A-ring via Corridor 10.5 will be open.
- **August 3:** The path from the Metro Entrance Facility to the A-ring via Corridor 1 will be open. A-ring tunnel between Corridors 1 and 10 on the 2nd floor will be open. The escalators in Corridor 10.5 between the 2nd and 5th floors will be open.
