

# The next phase of Metro's Covid-19 Recovery Plan restores more Metrobus service starting Sunday, August 23, 2020.

As part of the phased Covid-19 recovery plan, weekday service will improve on 174 routes with most routes operating close to normal, 109 routes will operate on Saturday and 99 routes will operate on Sunday. Weekday service on these 17 routes will have a modified schedule: 5A, 83, 86, C8, C11, C12, C13, C14, D2, G2, L8, N6, P6, R4, W4, V2, V4. All routes operating will have new schedules

In addition, scheduled service changes approved by the Board of Directors impacting routing, bus stop locations and service times will take effect on routes 7F, 42, 43, 74, 79 *MetroExtra*, 96, NH2, S2, S4, S9 *MetroExtra* and X2.

**New Schedules will be in effect** for all routes operating. View the new bus schedules on [wmata.com/bus](http://wmata.com/bus). Printed timetables will not be available for this phase since service may change.

**Temporary Service Suspension will remain in effect** on extremely low-ridership routes in order to allocate resources to address crowding and provide more frequent buses on the busiest Metrobus routes.
