SUBJECT: Parking Plan and Procedures During COVID-19 Pandemic

The purpose of this building circular is to inform all Pentagon, Mark Center and Suffolk building occupants about the COVID 19 Phases 1 – 4 commuter parking plan procedures. The new parking plan and procedures for the Pentagon, Mark Center, and Suffolk Building are in response to the current reduction of mass transit services. The new parking plan and procedures are effective beginning Monday, June 15, 2020.

The Parking Management Office (PMO) will manage all COVID-19 clearances for temporary parking and general parking spaces at all locations. Each agency’s Component Parking Representative (CPR) will continue to manage their agency’s allocations. The new parking procedures are as follows:

- All permit holders will be allowed to park in parking areas newly designated as general parking areas. General parking areas at each building are identified as follows:
  - Pentagon General Parking (See attachment 1): North-C, South-C, South-A, Hayes, Fern, and Eads parking lots with the exception of South Parking B Lanes, South Parking Lane 26, South Parking Lane 1 Pentagon Memorial disabled spaces, and Motorcycle Lanes.
  - Mark Center General Parking: North Parking Garage (NPG) with exception of Executive, Motorcycle, Disabled, and Government parking spaces.
  - Suffolk Building General Parking: General and visitor spaces with exception of Executive, Disabled, Government, and Building Owner parking spaces.
- General parking on the Pentagon Reservation, Mark Center and Suffolk Building is “first come first served” for individuals with a valid Pentagon parking pass or a COVID-19 Temporary Parking Clearance (See below).
- A COVID-19 Temporary Parking Clearance request is required to obtain authorized parking at the Pentagon, Mark Center, or Suffolk Building. The COVID-19 Temporary Clearance Parking request form (see Attachment 2) is available electronically on the WHS webpage: [https://www.whs.mil/Coronavirus/#Parking](https://www.whs.mil/Coronavirus/#Parking)
- All official government vehicles at the Pentagon that normally park in lanes 19 and 44 will be consolidated in North Secure Parking
- In-processing personnel will receive COVID-19 clearances for temporary parking.
- Out-processing personnel will return their permits to their agency CPR and/or PMO.
- The bulk turnover for expired permits will be extended for two months after we enter Phase 4 of the Pentagon Reservation Plan for Resilience and Aligning with National Guidelines for Opening Up America Again.
- North Parking Lane 63 will continue to be available for construction project contractor vehicle parking.
- All vehicles must be registered prior to parking on the Pentagon Reservation. If not, your vehicle will be ticketed.

(SEE OVER)
The Pentagon Force Protection Agency (PFPA) will continue parking enforcement and will monitor vehicle registration using License Plate Readers (LPRs).

All Senior Leaders impacted by the reduction of mass transit services will receive an Executive Parking Clearance and be assigned to a secure parking area for the duration of COVID-19 activities. This includes a temporary hang tag and temporary swipe access through Vehicle Access Control Points (VACP).

The Mark Center North Parking Garage (NPG) will be used as Pentagon overflow parking until COVID-19 Phase 4. Any individual with a valid Pentagon parking permit may park in the Mark Center NPG. For directions to the Mark Center, please visit https://www.whs.mil/About/Where-We-Work/Getting-to-the-Mark-Center.

Mark Center commuters impacted by reduced mass transit services may be granted clearances and swipe access to park in NPG. The Mark Center Parking Office will manage NPG swipe access and later remove access in COVID-19 Phase 4.

As of June 15, 2020, PMO will resume issuance of Vanpool and Carpool permits. Commuters must practice safety procedures to include social distancing along with use of face coverings in accordance with Center for Disease Control and Prevention (CDC) Guidelines. Commuters may request parking using the Temporary Clearance Parking request forms during reduced mass transit services caused by COVID-19.

Mass Transportation Benefit Program (MTBP) participants who will be utilizing temporary parking clearances can remain in the program. Unused benefits for Metro Rail and Bus riders are returned to the Department each month. Those that purchase monthly VRE, MARC, MTA, or pay a Van Pool will need to adjust their monthly claims and pass purchases to match their actual need. For example, those traveling less than 16 days per month on the VRE should switch to 10-trip passes rather than a full monthly ticket.

Listed below is contact information and email addresses to contact the Parking Management Office at the Pentagon and Mark Center/Suffolk Building Office:

**Pentagon:** whs.pentagon.fsd.mbx.parking-program@mail.mil

**Mark Center/Suffolk Building:** whs.mc-alex.fsd.mbx.parking-program@mail.mil

**Pentagon Parking Office Hours:** 7:00am – 4:30 pm daily Monday – Friday, Phone 703-697-6251

**Mark Center Parking Office Hours:** 7:30 am - 4:00pm daily Monday – Friday, Phone 571-372-7100

For questions regarding DoD Shuttle operations, please email the WHS Transportation Management Program Office (TMPO) at whs.pentagon.fsd.mbx.dod-shuttle-bus@mail.mil. When boarding DoD Shuttles, face coverings are required and shuttle capacity will be reduced due to social distancing practices. For the latest updates on regional mass transit options, please visit https://www.whs.mil/Coronavirus/#LTA.
