The new Hair Care operation has a website for convenient appointment booking and online payment. Please visit www.gmehair.com. If you were previously having trouble accessing the site from the Air Force network, this issue has (at least for now) been resolved.

Our newly opened Starbucks in the Main Food Court can process Mobile Orders using the **Starbucks** App. Download the app today and start using and earning Starbucks rewards points. Don't wait in line...as you approach the Starbucks, order in-app and your order will be waiting for you!

Mission BBQ is open 1030 to 1330 on Tuesdays and Thursdays behind Dunkin Donuts in the Main Food Court.

Sign Up for FOODA updates at www.fooda.com. We have received feedback that this registration process works better on Chrome rather than Internet Explorer. Please be advised that if you have updates sent to a government email address, which probably makes the most sense for timely notifications, you may only be able to read the subject line. The good news is that is where the important info (What's For Lunch?) is!

We want to remind the tenants of the Pentagon that several of our vendors have websites. You may still make purchases from them during this time of limited Pentagon access.

Here is a list of those vendors and their websites:

Get your Belgian Milk Chocolate Pentagon delivered to your house! Order at www.velatis.com

UCAN Energy Products (<http://generationucan.com>) - Save 35% and get free shipping with Code "UCANDEFEND" at checkout.

Fort America (www.fortamerica.com). They now have official Space Force merchandise!

Greensleeves Florist (www.greensleevesflorist.com).

If you need a comfortable, washable, **cloth face covering** - please visit the Dry Cleaners or Fort America.

If you have questions about the AT&T Offer; visit go.att.com/05FR1.
