Find Fooda at their NEW location in the 3 / 4 Food Court! Sign Up for FOODA updates at www.fooda.com. We have received feedback that this registration process works better on Chrome rather than Internet Explorer. Please be advised that if you have updates sent to a government email address, which probably makes the most sense for timely notifications, you may only be able to read the subject line. The good news is that is where the important info (What's For Lunch?) is!

Sweetgreen is now delivering orders! The Outpost Shelving is located at the Main Food Court as you exit to the Center Courtyard. Can't use your phone app? Go to www.sweetgreen.com!

The new Hair Care operation has a website for convenient appointment booking and online payment. Please visit www.gmehair.com.

Order on-line at **Hissho Sushi** and **Mosaic Pizza**! Download their respective apps with only one log-in. Track your order on the app so you don't have to wait in line!

Our newly opened Starbucks in the Main Food Court can process Mobile Orders using the **Starbucks** App. Download the app and start using and earning Starbucks rewards points. Don't wait in line!

We want to remind the tenants of the Pentagon that several of our vendors have websites:

Get your Belgian Milk Chocolate Pentagon delivered to your house! Order at www.velatis.com
