The following measures will assist public health efforts to contain the spread of COVID-19 and help protect DoD personnel and visitors.

• If you have had contact with someone who is in 14-day isolation or you think you have symptoms of COVID-19, stay home, call your health care provider and notify your supervisor. Do not enter a Pentagon Facility.

• All Pentagon Tours are suspended.

• All unofficial visits (e.g., personal guests, ceremonies, etc.) are suspended.

• All visits from our international partners and visitors must be rescheduled or conducted remotely. Contact your sponsor for more information.

• Any individual (DoD civilian, military service member, contractor, or official visitor) that has traveled internationally within the last 14 days shall not enter the Pentagon Facilities.

• All official visits must be registered at least 24 hours in advance through the PFPA Visitor Management System (https://visitorsponsor.pfpa.mil/). All visitors will be required to present a REAL ID or U.S. Passport for entry. Official visits to leased facilities will be managed by the Designated Officials or security managers. Staff are strongly encouraged to register visitors as early as possible.

• Visitor sponsors may not escort more than three (3) visitors into Pentagon Facilities.

• All Pentagon Facility occupants must swipe at ALL perimeter access control points, to include the Pentagon River and Mall Entrance.
